THE inventor of this preparation was for three years s completely prestrated from Dyspepsia and inactivity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was pronounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing medicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the molicine was fully established by its success, as shown by the certificates which have been advertised.

Dr. Rienson:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely cured him.

MICAJAH CAYCE.

Dr. Blenson.—Some time has clapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saying to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so und I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsin.

Dr. Burrson:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely relieved my, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsin again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUSTSVILLE, Ala., August 94, 1851. This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Phy-sician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my normaint JOSEPH CAROTHERS.

Henryville, Ala., March S, 1852. Dr. Blerson —Sir: Judging from the certificates you have already advertised, it will be almost mnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced tak ing your compound about nine weeks since, and have gained 25 or 80 pounds, and feel about as well as I everylid. HENRY J. GOFF.

DR. FRASK'S MAGNETIC CINTMENT.

A MR. WINTERS had lost nearly all of his hair and had been hald for many years; by the use of three bottlet of the Magnetic Ointment, had his hair entirely restored, and now has as beautiful a head of hair as any man could wish. His age is about 50 years.

A son of Mr. Warren, of this town, 14 years of age, had been afflicted with the Asthma from his cradle. He had

the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever sow; he was emaciated almost to a skeleton. By the use of a few bottles of the Ointment he was thoroughly cured, and for seven months past has account a skelet he was thoroughly cured,

enjoyed robust health.

This was an extreme case of inflammation of the sphen, of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the lady a Mis. Dunham,) is still in good health, and able to attend to her usual household duties. Thave treated two cases of Chronic Sore Eyes with the Ointment, both of the patients so nearly blind, as to need an attendant to lead them from place to place. One of them had been afflicted 1s years, the other about 2 years. They had tried the best physicians in the about 2 years. They had tried the best physicians in the State, without benefit; and one of them had been under the State, without benefit; and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinnati, for eighteen months, and had expended hundreds of dollars in vam efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it fuiled of civing immodiate relief and generally a permanent cure. I have also used it beneficially in severe cases of Erysipelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic Ointment alone!

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever of fered to the public.

Respectfully Yours,

EURTON HUBBELL, M. D. Dated Jan 27, 1850, Amelia, Ohio,
The character of this Ointment, as an efficient remedy, is
established in this city. There are quite a number of individuals who ascribe their restoration to health to the use of this extraordinary Ointment.
